

# Commuter Order Platform Enhancements - July 2013

## Redesigned & Simplified User Interface with Additional Features

Crosby is excited to announce that enhancements to our commuter benefits ordering platform that will be launching in mid-July. These updates will simplify the ordering process and add improved functionality and support features all within a brand new look.

Participant shopping carts will not change nor will participants need to have their orders placed again. Our commitment to our participants continues with the launch of this new and improved site.

Highlights include:

- Location mapping will offer commuting options based on home & office locations with Google Maps integration
- An expanded "My Account" section
- Multi-lingual options for the site in English and Spanish
- Recurring options by product available in the shopping cart
- Improved help section with downloadable documents available for additional information

Participant shopping carts will not change nor will they need to orders have to be placed again. Our commitment to our participants continues with the launch of this new site.
